

Towmasters of NH Presents

The Big Rig Rescue!

October 20th & October 21st

This is a comprehensive seminar for Fire personnel and Heavy Duty towers to teach recovery procedures and techniques to integrate tow and rescue personnel at major accident scene involving tractor trailers, buses, dump trucks etc.

The Big Rig Rescue is directed by Billy Leach Jr. from North Carolina. He is the senior presenter and planner for "Managing Bus Incidents, Big Rig Rescue, Truckbash!" He has done presentations all over the country to coordinate tow personnel and rescue personnel to clear major incidents on the roadways of America in the safest and most effective manner.

Friday's portion of the seminar will be held in the NH Fire Academy on 222 Sheep Davis Drive (Route 106) in Concord from 5pm to 10pm. Registration is at 4pm.

Saturday's training will be held at Ponderosa Salvage Yard in Epsom where live demonstrations of mock accident scenarios and recoveries will take place by both heavy duty towers as well as fire departments. This will take place from 8am to 5pm.

Cost is \$200 per person! Register early- this one will fill up fast!
